

SEP – USER STORIES – JOEY

Ciara:

As a student with limited means of transportation, such as traffic, and a mandatory assessment, I want to reserve a parking space in advance so that I can avoid delays and arrive on time for my exams.

Gerard:

As a course leader hosting an important guest, I need to pre-allocate a parking space for my visitor so that the college maintains a professional reputation and the event starts on schedule.

Sarah:

As a student and a mother with strict family and time commitments, I want to guarantee a parking spot for my specific campus days so that I can effectively balance my parental responsibilities with my education.
